Our Mission

The primary purpose of the **NCUCA-PAC** is to identify candidates, running for statewide office or a seat in the General Assembly of North Carolina, who understand and support underground utility construction, maintenance, and rehabilitation as public policy.

A secondary purpose of the **NCUCA-PAC** is to gain recognition for and enhance the understanding of the underground utility construction industry in North Carolina

among elected leaders who may have an influence on the industry through their positions, committee assignments, and presence on boards and commissions.

Your direct contribution to your State Representatives in both the North Carolina House and Senate is encouraged; however, combining our resources in the **NCUCA-PAC** enables our industry to demonstrate support for those members of the General Assembly and candidates for the North Carolina Council of State that have and may have an impact on our industry.

By contributing to the NCUCA-PAC, you not only help to finance this important aspect of

NCUCA's Government Relations program, your input on the distribution of funds is considered.

No contribution is too small. Contributions of \$100 - \$500 are encouraged.

To contribute to the **NCUCA-PAC**, please send your contribution by personal check (corporate checks cannot be accepted), payable to **NCUCA-PAC**, to *NCUCA-PAC; 130 Mine Lake Ct., Ste 100; Raleigh, NC*
